OUR MISSION

We do this through encouraging, educating and empowering the young people we serve.

#IGNITEYOURPURPOSE

Millenials and Gen Z express a preference for brands that have a point of view and stand for something*

Between revenue and social footprint many brands now have more power than elected leaders, and there is a clear expectation from consumers that this power is used for positive change*

Of business leaders believe that purpose is central to business success and to an organization's existence**

#IGNITEYOURPURPOSE

At EntFest 2020 we examine the impact of 'purpose' on business strategy, consumer choice and, of course, our own lives. Our theme, **#IgniteYourPurpose**, challenges attendees to find out who they are and what they are made of. EntFest will give them the tools they need to succeed at doing things differently.

The festival will provide a platform for individuals and organizations, who are embedding purpose into the heart of their business models, to come together with ambitious young people looking to make an impact.

Purpose is the intention, aim, or function of something; the thing that something is supposed to achieve. EntFest will explore how this plays out in our own lives, how we can **realise our purpose and harness our potential**, as well as looking at brands and businesses who have used their purpose to **activate growth** and stand out from their competitors.

The Festival

The Festival has three main festival tents which offer spaces for workshops, panels and talks, whilst the Church houses all our set-ceremony pieces.

As well as the much-anticipated Dragon's Den style final of our National Entrepreneur of the Year competition, the agenda creates opportunities for students to **network**, **learn** and **take-part** in **panel debates**, **competitions**, **futuretech activations** and **skills-based workshops**.

Set against a **festival backdrop**, which includes **music, entertainment, a youth market** and **interactive games**, the EntFest agenda provides a totally unique learning experience that enables attendees to ignite their purpose.

TRAINS

We recommend that you get a train to Milton Keynes Central arriving around 09.30am. We will run a shuttle bus service from the station to EntFest, so please let us know when you are getting in and we will make sure that there is a bus ready to meet your group. Return: EntFest content runs throughout the day, finishing around 5.30pm. Primary School groups may wish to have a shorter day, ending early afternoon.
